Dear Parents/Guardians/Caregivers and Community Members:

This letter is to update you about the Program Area Review involving Avondale Public School, Avondale Elementary Alternative School, Bayview Middle School, Crestview Public School, Elkhorn Public School, Finch Public School, Hollywood Public School, McKee Public School, and Woodbine Middle School.

The purpose of the review was to address enrolment pressures at the Avondale Public School site.

On April 26, 2023, the Board of Trustees decided that:

- a) Avondale Elementary Alternative School be relocated to Bayview Middle School effective September 1, 2024;
- b) A boundary change be implemented to return redirected residential developments to Bayview Middle School from Woodbine Middle School effective September 1, 2024;
- c) Students who reside at the addresses impacted by the boundary change described above in b) and who attend Crestview Public School or Woodbine Middle School as of the end of the 2023-24 school year, be allowed to attend Woodbine Middle School until they graduate; and
- d) Siblings of students described above in c) be allowed to attend Woodbine Middle School provided their older sibling is attending Woodbine Middle School at the time that they enter the school.

For your reference, the boundary change referenced above in b) is shown on the map on page 3 of this letter.

The next step is to form an implementation team consisting of Superintendents, Principals, teachers and parent representatives from Avondale Elementary Alternative School and Bayview Middle School to implement the relocation of the alternative school into Bayview Middle School for September 2024.

We would like to thank all the parents/guardians/caregivers and community members who dedicated their valuable time to participate in the consultation process.

Please do not hesitate to contact your school principal if you have any questions.

Sincerely,

Domenic Giorgi
